

# *e-**EarlyCare-T***

Project number: 2021-1-ES01-KA220-SCH-000032661

**e-*EarlyCare-T*** is researching the design of a training programme for technological specialisation and the use of artificial intelligence tools aimed at early care professionals through the application of self-regulated learning technologies and ALT techniques.

This project has been funded with support from the European Commission. This publication (communication) reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.
